3.3 Are any computing courses required in middle school?	No
4.1 Which computing courses are offered in HS?	Computer Applications Introductory Computer Science Computer Programming Adv Placement Computer Science Computer Networking Information Technology Keyboarding Robotics Web Page Design and Development
4.2 URL where HS course standard can be found:	No response
5.1 What are the requirements for teaching AP CS?	Computing, Math degree/certificate/endorsement or license
5.3 URL that shows teaching requirements for AP CS:	No response
5.4 What department is AP CS offered in?	Math degree/certificate/endorsement or license
5.6 What type of grad requirements does an AP CS course fulfill?	Other
5.8 URL that shows grad requirements AP CS fulfills:	No response
6.1 What are the requirements for teaching IB CS?	Math
6.3 URL that shows teaching requirements for IB CS:	No response
6.4 What department is IB CS offered in?	Math
6.6 What type of grad requirements does an IB CS course fulfill?	Other
6.8 URL that shows what grad requirements IB CS fulfills:	No response
7.1 Does your state require students to demonstrate computer literacy in order to graduate?	Yes
7.3 URL that explains the computer literacy requirement:	No response
8.1 For computing courses other than AP CS that include programming what teaching certification is required?	Business, Math, or Technology & Design degree/certificate/endorsement or license
8.3 For computing courses that do not include programming what teaching certification is required?	Business, Math, or Technology & Design degree/certificate/endorsement

	or license
8.5 Does your state offer any kind of certification, endorsement or license in computing?	Yes
9.1 Describe the computing certificate/endorsement/license and what courses it allows a teacher to teach.	Most teachers in KY teaching computer science have the math certification; however, we also have a Computer Information Systems certificate used mainly for the vocational areas. We also have Instructional Computer Technology which is an endorsement to a base certificate used mainly by teachers who want to work with other teachers as a consultant in this area.
9.2 URL for the requirements for computing certificate/endorsement/license:	No response
9.3 Is ongoing professional development required to keep this certification/endorsement/license?	Yes
10.1 How satisfied are you with your state's computing teacher certification requirements?	Somewhat
